BARDAHL POWER STEERING FLUID w/SEALER & CONDITIONER

Premium fluid formulation that optimizes performance in modern power steering systems.

THE PROBLEM

Over time, the power steering fluid's active and protective properties oxidize, break down, and become contaminated with worn hose material. Old oxidized fluid must be replaced with new fluid to ensure continued safe and proper operation.

THE SOLUTION

BARDAHL Power Steering Fluid w/Sealer and Conditioner blended from premium quality base oils and professional grade anti-oxidant additives that provide wear, rust, corrosion, and foam protection for power steering systems. The formulation contains a seal conditioner to maintain seal pliability to reduce the potential for leaks. This fluid is safe to use in domestic and imported vehicles sold in North America, except Honda and Acura.

THE BENEFITS

- Superior Group II base oils
- Protects against wear, rust and corrosion
- Contains seal conditioner to prevent leaks
- Excellent wear protection for smooth quiet operation
- Resists foaming and enhances low temperature perform

DIRECTIONS

Add to the power steering reservoir as needed to maintain correct fluid level in the vehicle. Dispose of any used or unused solution in accordance with local, state, and federal regulations.

Product Specifications

Product #	5712
Unit UPC#	0 76906 05712 7
Case UPC#	30076906057128
Pack Size	12x12oz (355 mL)
Dimensions	L x 11" W x 8" H 8.5"
Weight & Cubic ft ³	10 lbs / 0.43 ft ³
Color	Light Amber
Specific Gravity	0.840
Viscosity	9.0 cSt @ 100°C
Flash Point	>392°F / >200°C
